

Single-Use Limited License—For Instructional Use

Please Read Carefully

I understand and agree to abide by the following points of the ***single-use limited license*** for an electronic Coloring Book, Student Workbook, or Student Notebook:

- Electronic resources are licensed only to the individual/organization for whom they were purchased. I understand and agree that no other rights are being conveyed.
- This is a single-use limited license that allows an individual to print one copy of the resource for each license purchased. Student materials may not be reprinted, copied, or reused a second time. New licenses must be purchased for each new teaching cycle.
- Organizations may make individual copies for visitors, so long as they purchase an additional license when each visitor becomes a regular attender.
- Electronic resources may not be posted on a website or any unsecured location accessible from the internet.
- I and my organization will abide by the copyright and the terms of the license and take all necessary steps to protect the electronic resource from illegal use.
