

Perpetual Limited License—For Instructional Use

Please Read Carefully

I understand and agree to abide by the following points of the ***perpetual limited license*** for an electronic Classroom Kit, Teacher's Kit, Teacher's Guide or Leader's Edition:

- Electronic resources are licensed only to the individual/organization for whom they were purchased. I understand and agree that no other rights are being conveyed.
- This is a perpetual limited license that does not expire for the individual/organization who purchased it.
- Each licensed copy may not be shared in any format (electronic file or printed copy) by multiple or rotating users at the same time. Each license allows for one copy for one user at one time.
- Each individual may use the licensed copy assigned to them in any format. This means that one individual may utilize a print copy and access the resource from multiple devices (work computer, home computer, tablet, and smartphone). When finished teaching the material, the user must delete the file from their computer before it may be re-assigned to another individual in the future. Any print copies should be either returned to the purchaser or destroyed.
- Electronic resources may not be posted on a website or any unsecured location accessible from the internet.
- I and my organization will abide by the copyright and the terms of the license and take all necessary steps to protect the electronic resource from illegal use.
